He has been named town manager of St. George, a coastal community of 1600 population, and will assume his new duties shortly after March 18. ## COMMENTS FROM THE TOWN MANAGER'S OFFICE

Chief Roderick "Mush" McMillin of the Bethel Fire Department submitted his resignation verbally to the town manager last Friday. The resignation was to be effective immediately. Chief McMillin has not been feeling well the most of the winter and finally, on doctor's orders, had to relinquish the responsibility of the position.

The resignation was accepted with regret as "Mush" has been very conscientious of his duties for many years. He will still make himself available to the department to assist whenever needed.

A special meeting of the firemen was called Monday night to discuss a replacement as chief. Names were presented for consideration to fill the position at the regular election of officers to be held March 7.

The firemen voted to purchase a used truck to replace the one lost in the accident on Jan. 9, if a suitable vehicle can be found.

Elwyn N. Dickey

## PERMISSION TO LOCATE MOBILE HOME ON BRIDGE ST. LOT DENIED

The Bethel Zoning Board of Appeals met last Friday evening at the Selectmen's Office to hear the request of Stanley C. Moore who sought permission to place a mobile home on property owned by his father, Roy C. Moore, Bridge Street, U. S. Route 2. This area is in the General Residential Zone (R-1).

Mr. Moore submitted a petition to the Board, signed by neighbors and abutting property owners in the area where the mobile home was to be placed. The signers of the petition agreed that they did not have any objections. The case was reviewed and the Board voted two to one against granting Mr. Moore permission to locate the unit there.

This is the third request regarding mobile homes to come before the Zoning Board of Appeals in the past eleven months. All applications have been denied.

## McMILLIN RESIGNS AS BETHEL FIRE CHIEF

After serving as chief of the Bethel Fire Department since March of 1958, Roderick McMillin resigned the post last Friday.

A member of the local department for over 20 years, "Mush" has indicated that he would be available to assist his successor in any manner possible. Under his leadership, the Bethel Fire Department has continued to maintain a record of fine service that has for many years been a source of pride to the town.

## ALDRICH ANNOUNCES AS CANDIDATE FOR JUDGE OF PROBATE

Former Oxford County Clerk of Courts Rupert F. Aldrich of Norway Wednesday announced his intention to run for the office of Probate Judge in Oxford County.

The 58-year-old Republican resigned the clerk's post he had held for 37 years last December to concentrate on private law practice, forming a partnership with his son, County Attorney David Aldrich.

The announcement signals the start of Aldrich's 11th bid for county office. He has won all 10 of his previous political races. The judge of probate position was recently made vacant by the untimely death last month of South Paris attorney Robert T. Smith who had held the office for a number of years.

Besides the Maine and Oxford County Bar Associations, Aldrich is a member of the U. S. Bar Association, and is admitted to practice before the U. S. Federal Court.

He and Mrs. Aldrich have three grown children. They are Mrs. Charlotte Young of Sanford, Mrs. Lonnie Faulk of Bolton, N. C., and Attorney David Aldrich of Norway.

Alton Carroll is employed part-time at Clukey's Pharmacy.

## NOTICE

The dance planned for March 2 by Jackson-Silver Post, Locke Mills, has been indefinitely postponed.

## BETHEL TAX RATE OF \$38 PER THOUSAND FORECAST; JUMP OF \$5 OVER '67

Appropriation figures recommended by the Bethel Budget Committee for 1968 town finances, coupled with an increased S. A. D. 44 assessment of \$202,576, \$37,927 over a year ago, will quite possibly result in a tax rate of \$38 per thousand dollars of valuation. This would represent an increase of \$5 over last year's rate of \$33. Committee recommendations for town affairs of \$313,025.

The total for local government services plus school assessment and county tax indicates a total to be expended of \$356,025 during 1968. Of this amount \$43,000 has been earmarked to come from surplus to bring the amount to rate of \$33. Committee recommendations for town affairs of \$313,025.

from Surplus.				

A substantial increase was recommended in the Winter Roads account to attempt to bring it to a more realistic amount. Overdrawn frequently in the past it was felt that \$22,500 would reduce the possibility of a future overdraft, depending of course on weather conditions for the remainder of this winter and late next fall.

An amount of \$9,000 was recommended to enable the purchase of a dump truck and a pick-up truck for the highway department. These vehicles would replace a 1959 International and Chevrolet pick-up, respectively.

To subsidize local ambulance service an amount of \$5,000 was approved by the committee. It has been estimated in various quarters that it would cost the town from \$15,000 to \$20,000 to maintain its own service, at least initially.

In another account appearing this year, \$3,000 has been recommended to start a Capital Reserve Fund toward the eventual remapping, and complete revaluation of the town. Even after the completion of the piece-meal revaluation a year ago, the land has not been revalued since 1956.

The increased total in Hydrant Rental of \$2,050 would provide for two additional hydrants recommended on Paradise Street. One would be located at the reservoir and another midway from that point and the last existing present hydrant.

Members of this year's budget committee are: Robert Hastings, chairman; Samuel Timberlake, Andrew Boyd, Richard Waldron, Richard Davis, Bruce Bailey, Donald Stecher, John Frankel, Lawrence Brown, Sumner Burgess, William Cousins and Edward Wheeler.

Callers at Frank Campbell's Saturday afternoon were Sherry Hill, Arvid Rosenberg from Pinhook and Tommy Demarest. They were touring around on their skidoos. They had been to the tower in Greenwood and called here before heading home.

The pupils of the Union School enjoyed a Valentine party the 14th when their room mothers, Mrs. Alta Waterhouse and Mrs. Patricia Thurlow brought ice cream, cakes and punch for the 3rd and 4th grades. The children played games and then had their Valentine boxes. It was such a thoughtful thing to do and greatly appreciated.

Schools closed Friday for a week's much needed vacation. This cold weather sure gets everyone down. The children hate to go out in the cold and who can blame them? 20° above would be better for us all but who can dictate?

Mrs. Guyson Davis and two daughters, Miss Lorraine Davis and Mrs. Patricia Tibbets went to Livemore Sunday to see Mrs. Davis' mother, Mrs. May Brown. This was Mrs. Brown's 83rd birthday so a birthday party was held in her honor by the children and grandchildren.

## GREENWOOD CITY

— Mrs. Collista Morgan, Corres. —

The past week we have devoted some time at school to the lives of Lincoln and Washington. Grade five especially presented pictures of famous paintings and made booklets. This paragraph from "American History Illustrated" was a surprise in regard to the painting of George Washington crossing the Delaware on Christmas Day, 1776.

It was painted by the German artist, Emanuel Leutze in Germany. In his painting the river with floating ice is the Rhine. Models for the soldiers were American tourists. As for the American flag, when General Washington made his historic crossing, the flag had not yet been designed. Also during the Revolution, Martha Washington kept sixteen spinning wheels in constant operation to provide cloth for the household wearing apparel.

Each child displayed the flag on his cover. As General Washington thought one flag should fly over all the armies and navies since their purpose was one. Throughout the years the flag

has varied but today Old Glory proudly flies from the buildings and is hoisted above jungles. It marches down avenues and waves over school houses. It ripples against the blue sky, a colorful and beautiful symbol of liberty, freedom, justice and glory. It has been an inspiration to millions for nearly two centuries. We fly it with an abiding determination to protect the heritage of freedom given to us by such men as Lincoln and Washington.

Our Valentine Party was a success. One little girl expressed it to me this way, "Everyone had fun. It's the best one I ever had." There were games, prizes, refreshments of ice cream, cookies, candy, and punch. Then the long looked for Valentines. Several mothers and friends joined us, 14 in all.

All welcome a week of vacation.

Our biggest absence for the year was on Thursday and Friday when there were five missing.

Mr. and Mrs. Ralph Leeper and friends from Rhode Island arrived at their cottage here on

Saturday evening. They had to "snow blow" their way in but are enjoying their stay.

Mr. and Mrs. Clyde Morgan called on Mr. and Mrs. Carroll Nottage at South Paris on Sunday afternoon.

Mr. and Mrs. Leonas Holt visited their aunt, Mrs. Maynard Chase, at Stephens Memorial Hospital, on Sunday.

Mr. and Mrs. Norman Millett were in Portland on Friday.

Mrs. Ernest Morris has been ill with the flu this last week. Others who have been ill are Judith Hakala, Mrs. Irene Stevens, her mother and father, and Frank Curtis.

Mr. and Mrs. Norman Millett were in Rumford to see Roy Millett on Sunday. He is improving slowly. His brother, Montie Millett, and wife of Pittsfield, N. H. were also recent visitors there. They came and returned the same day.

When Feb. 22 comes many of us will turn in memory to the big white house here on the corner and to the friend who lived there so many years.

She was loved because her heart was gay

## WEST GREENWOOD

"For as he thinketh in his heart, so is he: . . ."  
Proverbs 22:7  
STOP! THINK! and then THANK GOD!  
Thinking is a lost art today—So take time to think. We are what we think. A man's character is measured by what he is in the dark. God's Word says "Think on these things . . ."  
Philippians 4:8. The true—the good—the right—pure—lovely—fine—good things in others. Think about all you can praise God for and be glad about" (Living Letters).

## IN MEMORIAM

In Loving Memory of Our Father Terence Hathaway, who joined the Angels February 27, 1967. He bade no one a last farewell. He said goodbye to none.

The Heavenly gates opened wide, and a loving voice said come, God knew he was suffering, That the hill was hard to climb, So he closed our Dads heavy eye lids

And whispered "Peace Be Thine." They say time heals all sadness, And helps us to forget, But so far, Dad, time has only proven

How much we love you yet, Your loving sons, Ray and Terry

IN MEMORIAM

In Loving Memory of My Husband Terence Hathaway, who joined the Angels on February 27, 1967. All by myself I think of you. Think of the things we used to do. Wherever I go, whatever I do, My thoughts always come back to you.

It's Oh! so lonely here without you. The hours in each day. For life is not the same to me. Since you were called away. They say time heals all sorrows and helps us to forget. But so far Honey time has only proven.

How much I miss you yet. To the grave I go and touch. With loving care I know. Inside of me a part of me is buried there.

Your Loving Wife, Eunice

### SUNDAY RIVER

— Mrs. R. M. Fleet, Corres. —  
Bradley Harrington is having a fight with the chicken pox so will not enjoy his vacation very much.

The new catalogs for Sunday School material arrived and they want all orders before March 1st. So there is one that might be late.

The wind has piled up the snow again so the road crew had to work Sunday.

The children with school vacation on hand would like better weather so they could enjoy outside activities.

Mr. and Mrs. Angelo Onofrio of Bethel called on the R. M. Fleet's Saturday.

Well a hen pheasant has been seen a few times near the Lawrence Brown place on route 2. Hope she finds her relative at Estes Yates.

Jeannine Fleet and Barbara Yates were in Lewiston Thursday to get their cars license plates.

The grain man from the Paris Farmers Union was in town on Thursday.

The road crew only breaks as far as the county line this winter. Most people going to Ketchum use snowmobiles the rest of the way.

Three new gray squirrels made their way to our feeders Saturday but had to be fed on the ground as they did not know their way around.

We see a very cute pup at Fred Burk's and hope it's theirs.

Bradley Harrington's pup is a nice, big, nearly all-brown dog now.

Mr. and Mrs. Ernest Verrill of Concord, Mass., and children are here.

Cold weather has shortened the news so pets and wild life are taking the space.

Two ravens are seen every few days as they visit the dumps, also flying around.

#### CARD OF THANKS

We wish to thank everyone for their kindness and thoughtfulness. It was appreciated very much. Special thanks to all.
